A fantastic opportunity to embrace a peaceful, easy-care lifestyle in a superb suburb. This home offers plenty of space for the growing family, with a highly functional floor plan including a corner kitchen overlooking a family room, which is a great hub for a busy weekday morning.

A separate living and dining room offers an abundance of natural light through floor to ceiling windows, a master bedroom with an ensuite and walk in robe hidden away from the bustling centre of the home. Two good sized bedrooms with robes and a well-proportioned bathroom and laundry.

Just minutes away from Fyshwick markets, Kingston foreshore, Narrabundah and Griffith Shops. This home is also located in the catchment area to some of Canberra's best educational facilities.
